

EURASTiP Brokerage Event:

Expanding Horizons 2020: Maximising Business Opportunities Between South-east Asian and European Aquaculture Stakeholders

Date: 26 August - 5 September 2019

Location: Vietnam & Thailand

We are pleased to invite you to the 2nd EURASTiP thematic Brokerage Event which will be a guided program for maximising business opportunities between south-east Asian and European aquaculture stakeholders.

This trade mission will take you on site visits to companies along the aquaculture value chain within the Mekong Delta (Vietnam) and Chachoengsao & Chanthaburi (Thailand). The event includes participation at an invitation-only SUSV-EURASTiP brokerage event in conjunction with Vietfish (the Vietnam Fisheries International Exhibition which has become the number-one professional fisheries showplace in Asia), as well as a parallel EURASTiP brokerage session in Thailand. In addition, the event offers the opportunity to discuss and meet with an invited delegation of aquaculture stakeholders from Bangladesh.

Under the European Union Horizon 2020 Framework, funding is being made available to selected industry sector delegates for reimbursement of travel & subsistence costs.
