

First call of EURASTiP funded exchanges is now live!

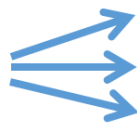

Submissions are NOW OPEN until Midnight 29 February 2018.

EURASTiP Exchange Programmes

Maximising collaboration and strategic partnerships between Europe and SE Asia in the aquaculture sector

- Industry
- Researchers
- Educators

Long term partnerships

Mutual benefit

Are you interested in pursuing an opportunity for your European company or institute to connect with south-east Asia (or vice versa) to develop and exploit opportunities in the sustainable aquaculture sector?

Then you might be the candidate we are looking for!

Bursaries of up to €3000 are available per exchange (subject to eligibility criteria) to support international innovation and collaboration.

Please visit www.eurastip.eu → 'exchanges' for more information and to learn more about the application process.
